Looks like we are waiting on OLEM's front office to assign the control to us...

Amanda,

We assigned OLEM as the lead (OECA-16-001-1066) on August 10, but it looks like the CMS person in OLEM's front office hasn't yet assigned it to ORCR. Did you get the printed package with the letters? I sent them via interoffice mail to Barnes.

Thanks,

Hi Cari,

Can you please tell me if you've officially assigned the attached control to OLEM yet? (Your email in the attached states so; however, we haven't seen anything come through on our end yet...)
